## EXCITING NEWS!

We are really excited about the potential of our 2015 autumn and spring drop lambs.

Our 2015 April/May drop are showing terrific growth for age combined with a dense, crimped, nourished white wool.

Sons of OC Titan, CP Eclipse and OC M222 (horn) will again be for sale at our on-property ram sale on 10th August 2016 and are on display at our site for the SA Merino Field Days, March 22nd 2016, Burra

[OC Titan](#)

On display for the first time, sons of OC Trojan (horn), OC Silky & OC Pearler 980

[OC Trojan](#)

The OC Trojan lambs have exceptional growth rate for age and good wool cutting ability

The OC Pearler 980 lambs exhibit beautiful pearly white, lustrous, nourished, crimped wool of their grandfather Charinga Pearler but with poll factor.

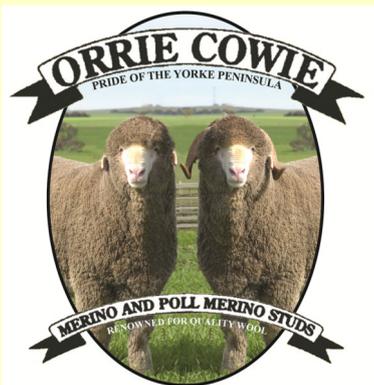

OC silky lambs show genuine all-round balance for structure, carcase and wool.
